WAIT...
ROKUHARA ...?
Nobody in this world doesn't know who they are. It's a very famous name
IT'S THAT ROKUHARA GROUP

YOUNG MASTER TSUGI WILL TAKE CONTROL OF THE ROKUHARA GROUP SOONER OR LATER
We have carefully brought him up with our own hands.
He is really beyond adorable.
WHAT ...!?
THEN... THAT ROKUHARA WHO GOES TO MY SCHOOL...
AHH THOUGH WE ARE ASHAMED OF HIM
HE IS YOUNG MASTER TSUGI'S OLDER BROTHER
The eldest son of the Rokuhara family
I THOUGHT SO!!
WHEN I ASKED HIM PREVIOUSLY
don't know anyone like that
Tsuka ?
IT SEEMED LIKE THEY WERE TOTALLY UNRELATED
Is that so
That bastard

GII-SAMA HAS BEEN TAKEN OUT OF THE LINE OF SUCCESSION
THE ONLY ONE WHO CAN TAKE THE HELM OF THE ROKUHARA GROUP NOW IS YOUNG MASTER TSUGI
AND IF SOMEONE LIKE YOU WERE TO STAY BY YOUNG MASTER TSUGI'S SIDE
THAT IS TO SAY
YOU UNDERSTAND WHAT I MEAN, RIGHT?
YOIMIYA (MATSURI-SAN

YOU WILL DO THIS, WOULDN'T YOU, MATSURI-SAN?
YOU ARE BOTH ADULTS NOW
IT'S NOT POSSIBLE FOR US TO PHYSICALLY STOP YOU FROM MEETING LIKE WE DID FIVE YEARS AGO.
WE HOPE THAT YOU WILL BE SMART ENOUGH TO
LEAVE YOUNG MASTER TSUGI AND NEVER CONTACT HIM AGAIN

［第33話］

I still remember clearly
What happened 5 years ago
Tsugi ...!
Ever since the day you left me, I became a living corpse, and yet I still love you.
? What's that...
"Full-bloom Private Academy"
That's right. Why don't you try there since you don't have a place to go?
The guests there are all selected VIPs
I think it suits you too.

INVITATION
Guests are all VIPs...huh
My last owner
Hm...
Means we're over huh...
Come to think af it
Tsugi always wore expen-sive looking clothes
And with that reasan-ing, I entered the schaal
The things I da aren't sa differ-ent from what I've been doing
But fram the first day on-wards, it felt the warst
And I thaught I was getting closer to Tsugi, but even time ends

sfx: buzz buzz
exhales
I feel as if I've
fallen to the lowest level

SFX: grrr
The world's we live in are too different...
tap tap
buzz
But to think that Tsugi is Rokuhara's next successor...
We hope that you're smart enough to leave young master and never contact him again
Lets...end this

SFX: Beep beep
.....

SFX: screeeech
fidget
fidget
Master Tsugi, I'm sorry for the delay
But it seems that we are in a traffic jam
!
It's fine, I'll walk the rest of the way
But...
It's fine
Since we're already so close to the mansion
SFX: Door opens

30 minutes?
SFX: stops
No can do!
I have to be the chauffer for students
If you went back alone in a cab, I'll be reprimanded
So please wait here, I'll finish as soon as possible
sigh
Then I'll take a taxi

I'm so tired...
I'll sleep for a while...

I want to talk directly to Motsuri
What's with dissolving my contract, I didn't know anything about it!
I'll not accept this!!!

SFX: noisy
Why wasn't I informed of this?! Let me see Matsuri!
I wanna see him!
I told you to explain clearly
Ion, what is going on?
My apologies, but I have already explained thoroughly
But I'm sorry, I could not convince him...
SFX: jumps
If that's the case, this counts as you owe me one okay, Ion!
Heh...
boo
boo
Master Rokuhara,
tremble
Things have already happened, so being so noisy here is useless
Why don't you calm down and talk things out like an adult?

SFX: fall apart
Why was it terminoted after 3 days...?
But what on earth happened?
It was originally a 2 week contract

Unless I hear it directly from his mouth.
And Yomiya Matsuri himself also expressed that he does not wish to see you again.
To stop you and Yomiya Matsuri from meeting
Actually it is your family that is pressuring us
anxious
anxious
You do not seem to fully understand your status
You seem to still be in love with him
Yet it is so childish
And how much trouble your actions can cause for the people around you
Heh...I see

You have the power to silence your surroundings
Master Rokuhara

So that I can be acknowledged by everyone

AFTERWORD

Hello! This is Umezawa.

We're finally here at the 7th Volume~~ It's slightly shocking how long this series has become, but to all thos who read all the way up till now, thank you so very much!!

The other day when I flipped open Vol. 1 to confirm something, my heart almost stopped because it was so lousy... (－－；)

Aah... Practice makes perfect...

Since Vol. 7, the characters increased greatly, and the most popular couple seems to be Gii x Haru ..

Next is Director x Ion, so on and so forth, is the feeling I get.

The original setting for Gii wasn't this perverted, and Haru is not that simple-minded a character, but why did it become such an idiotic couple... (－－；)

But I had lots of fun drawing everyone. I still want to draw more characters and couples, so I'll work hard on those ideas.

Lastly, to those who helped drawing this manga, friends who gave advice, those who waited for this excitedly, and to all those who gave me thoughts, ideas, presents, as well as to you all who read my manga, THANK YOU VERY MUCH!

Without fail, let us meet again on the next volume.
